MG Motor India Reports Sales of 4532 units in February 2024

Gurugram, March 01, 2024: MG Motor India today announced its retail sales numbers for February 2024, totalling 4532 units. The company registered a growth of 18% over the previous month, January 2024, with 3,825 units sold in that month.

Electric vehicles (EVs) continue to contribute a significant share of the carmaker's overall vehicle sales, accounting for approximately 33 per cent of the total units sold in February 2024. The company is gearing up to work on potential logistics issues due to disruption in global shipping as a consequence of various international events.
